

We are not only looking for a

COMPOSITING-SPECIALIST

We are also looking for a superhero, a workflow magician, a serial image-producer, a colour wizard, an animation finisher, an enthusiasm enabler, a configurator, a daredevil, a teamplayer, a 3D-layer compiler, a brilliant mind, a digital evangelist, a super geek, a nuke genius, a workaholic, a look creator, an award winner, a pixel guru, a visionary, a world traveller, an image builder, a crazy brain, a serendipity believer, an innovator, a customer enthusiast, a hungry talent.*

Do you think, you are our dream candidate for this awesome job at our headquarters in Hamburg or Pforzheim? If so, please send us your application with portfolio to: recruiting@meyle-mueller.de

*Your skills should include: thinking ahead and workflow related, excellent knowledge of nuke, expert experience in configurators.
